

Project part-financed by the European Union (ERDF + TACIS) within the BSR INTERREG III B NP programme

HINTERLAND Vitality Check

Examples from typology: Type 1 *Il'inskoe in Karelia (Russia)*

Il'inskoe

Inhabitants: 4050

Municipality: Il'inskoe

Name of County: Olonets region

Vorderland distance:

160 km South from Petrozavodsk

A voice from name of village:

„We have potentials but we don't have a magic stick to make everything happen. I hope that united work and common interest in developing our land will take us to best results“

Sedlecky Sergei, head of administration

Project part-financed by the European Union (ERDF + TACIS) within the BSR INTERREG III B NP programme

We are type 1

What does it mean for our village and what do we have to do?

Strengthen the strengths!

Demography

- *People start to move into the village and stay there*

Economy

- *The number of enterprises – 8*
- *The unemployment rate – 2%*

Social Life

- *Share of people involved into social clubs and activities – 40%*

Reduce the risks!

- *Create comfortable living standards and working places.*
- *Create the conditions for business to stay.*
- *Organize the leisure time spending for young people mostly.*

The majesties of the geese capital

The industrial area (backyard)

Project part-financed by the European Union (ERDF + TACIS) within the BSR INTERREG III B NP programme

We got type 1!
