3. Your key co-operation issues related to decline resistant Hinterland-Vorderland partnerships / foreseen pilots towards Hinterland-Vorderland co-operations

Suggested Key HL-VL co-operation issue	Description of issue and reason for key importance	Remarks:
Strengthening tourism sector	Developing joint projects in the field of tourism, sport and recreation, Promotion actions	Linkage of urban infrastructure (railway system, bus system, economic back-up..) with natural values of rural areas

Strengthening transporting system	Improvement of cooperation in the field of information and integrated organisation.	Stimulating better cooperation between carriers and intervention of local authorities are needed.
Including rural populations to the planned sme's supporting system	Developing idea of sme support, re-creating project's assumptions which were adopted so far	Town of Tczew have been preparing the project on setting up the system of supporting sme (incubator, trainings, consulting...) and establishing an entrepreneurship centre.
Popularisation of the idea of settlement in Tczew for people from tri-city and in surroundings for people form tri-city and Tczew	Analysis of the town planning, preparing information for estate agencies	National and regional housing movement point at such trends
Promotion activities	Developing cooperation with local and regional press - publishing an insert-element as a part of the regional newspaper	Journalists of regional newspaper have been interested in HL problems and issues, are open to disseminate ideas.
